

GAIN NATIONAL CPD PRESENTATION EXPOSURE WITH in2aplelearning

(Experts in the Space of CPD for Architects since 2015)

ONE CENTRAL CPD LEARNING HUB

CREATE

- 1.in2aplelearning can research CPD content and provide you with approx. 8000 word document
- 2.in2aplelearning can update your existing CPD to ensure compliance with national CPD requirements
- 3.in2aplelearning can create a complete PowerPoint presentation ready for use in line with Australian CPD
- 4.in2aplelearning can create a PowerPoint presentation with the addition of audio visuals eg. company videos or trailer clips

REVIEW

- 1.in2aplelearning can review your PowerPoint presentations to ensure CPD compliance including submission to the Australian Institute of Architects
- 2.in2aplelearning will review script and documents
- 3.in2aplelearning can have your presentation certified by a building practitioner

WEBINARS

Live CPD presentations are sponsored by manufacturers and distributors of building materials. Simply provide the link and date and let us do the rest.

SCREEN-TO-SCREEN

in2aplearning offers screen to screen CPD presentation to a team of colleagues from one architectural practice where there are three or more specifiers present on line. Screen to Screen CPD modules are a good resource for group discussions to nut out installation, NCC guidelines, or when looking for a particular solution for your client.

ONLINE MODULES

in2aplearning provides architects and specifiers with the flexibility to complete CPD presentations at a time that suits them, particularly for rural architects and busy directors that cannot attend fixed webinars or presentations.

IN-HOUSE PRESENTATIONS

- 1.in2aplearning can issue certificates and maintain records of architects attending CPD presentations to report to you
- 2.in2aplearning can set appointments with architects nationally
- 3.in2aplearning can facilitate online bookings
- 4.in2aplearning can organise catering

MARKETING

- 1.in2aplearning can launch CPD presentations via our comprehensive national database
- 2.in2aplearning can plan drip-marketing campaigns for CPD presentations
- 3.in2aplearning can arrange state by state campaigns
- 4.in2aplearning can arrange EDM for CPD campaigns

.....
ARCHITECTS ARE REQUESTING MORE CPD MODULES

WWW.IN2APLEARNING.COM.AU

"Hi there, I am an Architect and have completed your online CPD units as I have found them to be a great resource to enable CPD points to be accrued from home. Are you planning on releasing anymore?"

-Kind Regards, Leah
